Strategic Partnership Proposal

Expanding Access to Trusted Investment Intelligence
Presented by Arab Finance

ABOUT ARAB FINANCE

Egypt's Financial & Economic Information Platform

Arab Finance is a leading financial and economic information platform serving investors, business leaders, financial professionals and decision-makers.

Our platform brings together:

- ➔ Financial & economic news
- ➔ Investment insights
- ➔ Market analysis
- ➔ Educational content
- ➔ Newsletters
- ➔ Market information
- ➔ Exclusive interviews
- ➔ Company information
- ➔ Arab Finance TV
- ➔ Digital market tools

Our purpose

To make financial and economic information more accessible, understandable and valuable to our audience.

OUR JOURNEY

From Market Information to Financial Intelligence

Arab Finance has evolved from a stock-market information portal into a broader digital financial-information ecosystem.

Our evolution

- ➔ Financial News
- ➔ Economic & Investment Coverage
- ➔ Digital Content & Media
- ➔ Market Intelligence

The New Arab Finance

A modern digital destination built around the needs of today's investor.

WHY ARAB FINANCE

Why Partner With Arab Finance?

Because we provide EIMA with something beyond another distribution channel.

Reach

Access to an established financial and investment-focused audience.

Credibility

More than two decades of experience covering Egypt's financial and economic landscape.

Content Expertise

The ability to transform complex financial information into clear, engaging content.

Digital Technology

A modern platform designed around discovery, search and investor engagement.

Market Context

The ability to connect EIMA's information with relevant market and economic developments.

Investor Engagement

Multiple channels through which information can reach investors.

THE POWER OF OUR ECOSYSTEM

One Platform. Multiple Channels.

ElMA's reports can be distributed and amplified through the wider Arab Finance ecosystem:

Website

Dedicated digital report pages.

News

Relevant financial and economic coverage.

Market

Market information and investment tools.

Arab Finance TV

Video discussions and expert content.

Newsletters

Direct communication with our audience.

Social Media

Additional awareness and engagement.

Premium

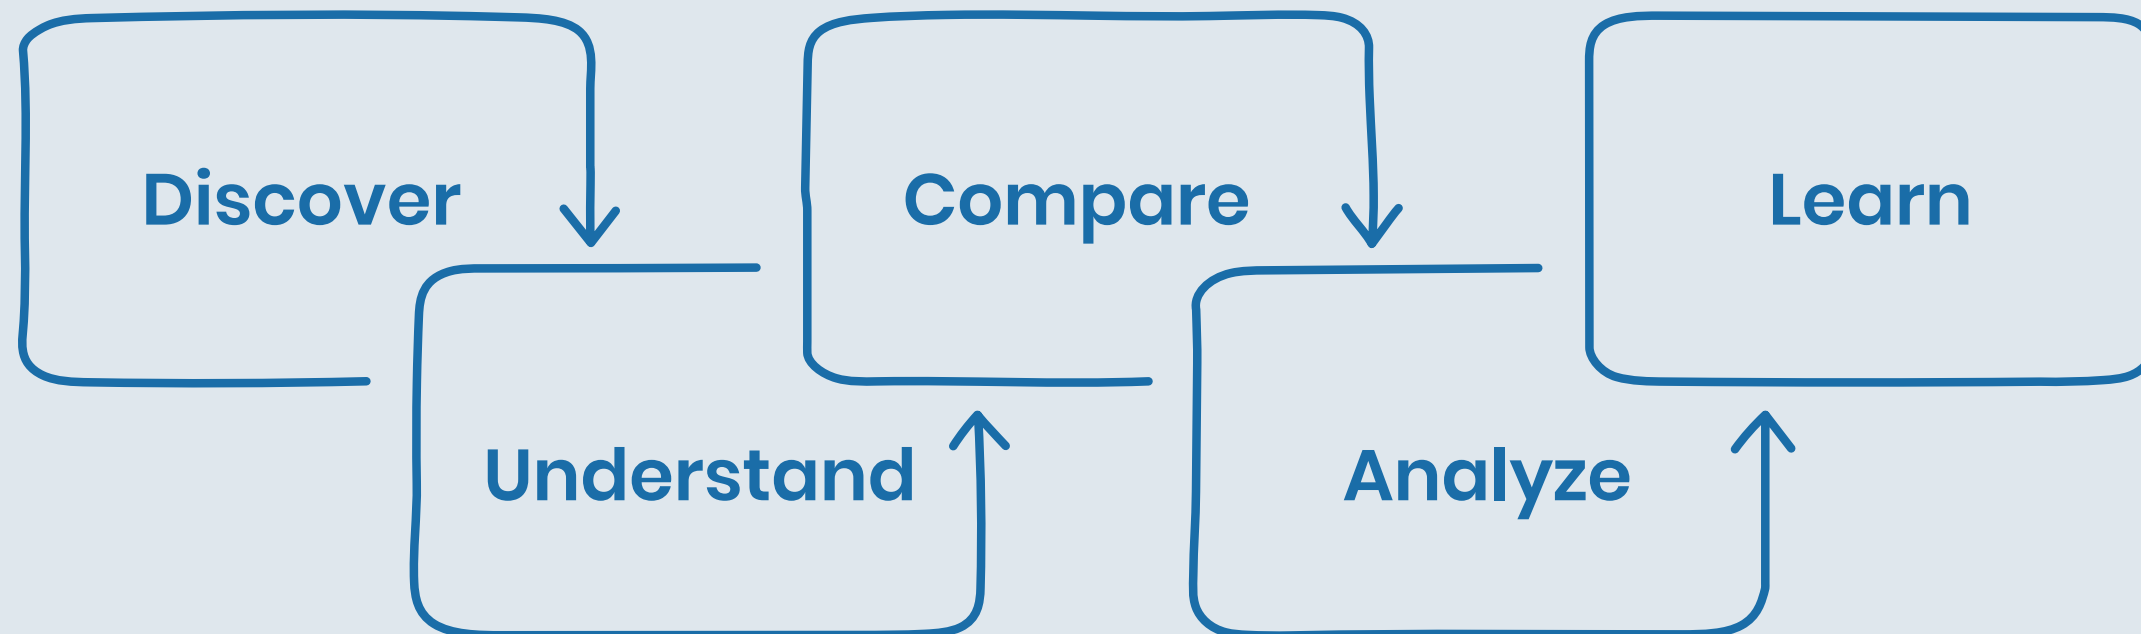

Advanced investment intelligence.

WHY THIS MATTERS

The Investment Information Landscape Is Changing

Investors no longer want to simply download a report.

They want to:

This creates an opportunity to transform EIMA's valuable reports into a more accessible and engaging digital experience.

OUR PROPOSAL TO EIMA

Let's Bring EIMA's Reports to the New Arab Finance

We would like to establish a strategic collaboration with EIMA to feature its approved reports on the new Arab Finance website.

The proposed collaboration would enable us to:

- Publish EIMA's approved reports
- Create a dedicated EIMA reports section
- Organize reports by category and date
- Build a searchable historical archive
- Make reports easier for investors to discover
- Promote EIMA reports through Arab Finance channels
- Connect reports with relevant market news and content
- Explore future interactive data experiences

EIMA provides the trusted information.

Arab Finance provides the digital platform and distribution.

THE EIMA INVESTMENT HUB

A Dedicated Digital Destination for EIMA Information

We envision a dedicated section within the new Arab Finance website:

EIMA Investment Intelligence

Latest Reports

Weekly and periodic reports.

Fund Performance

Clear and accessible performance information.

Fund Directory

Search by fund and management company.

Historical Archive

Access previous reports.

Related Content

Relevant Arab Finance news and analysis.

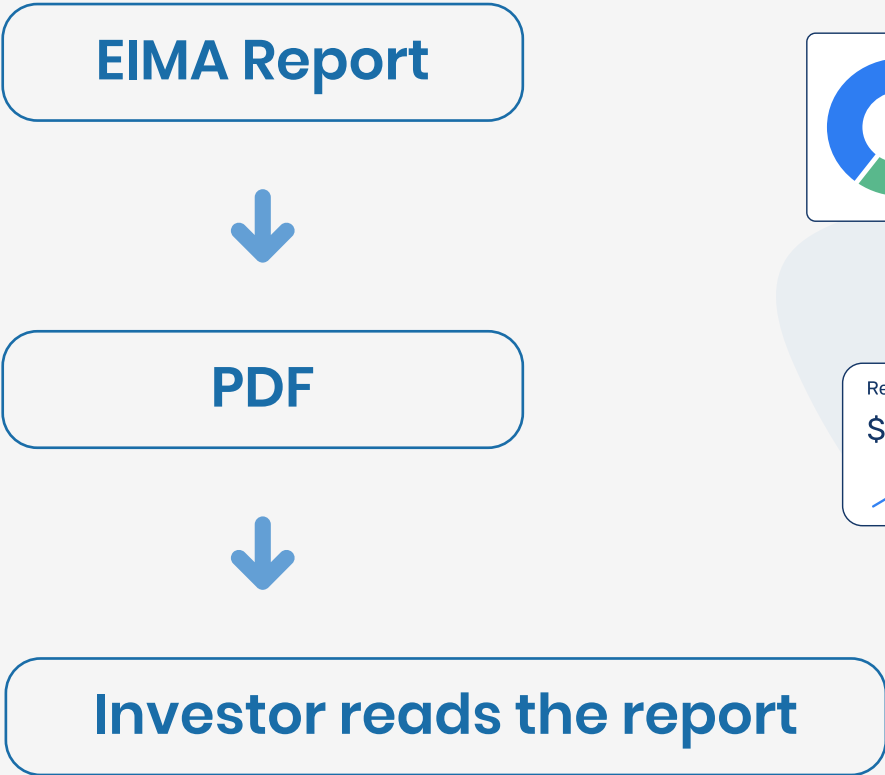

EIMA Resources

Direct access to original EIMA publications.

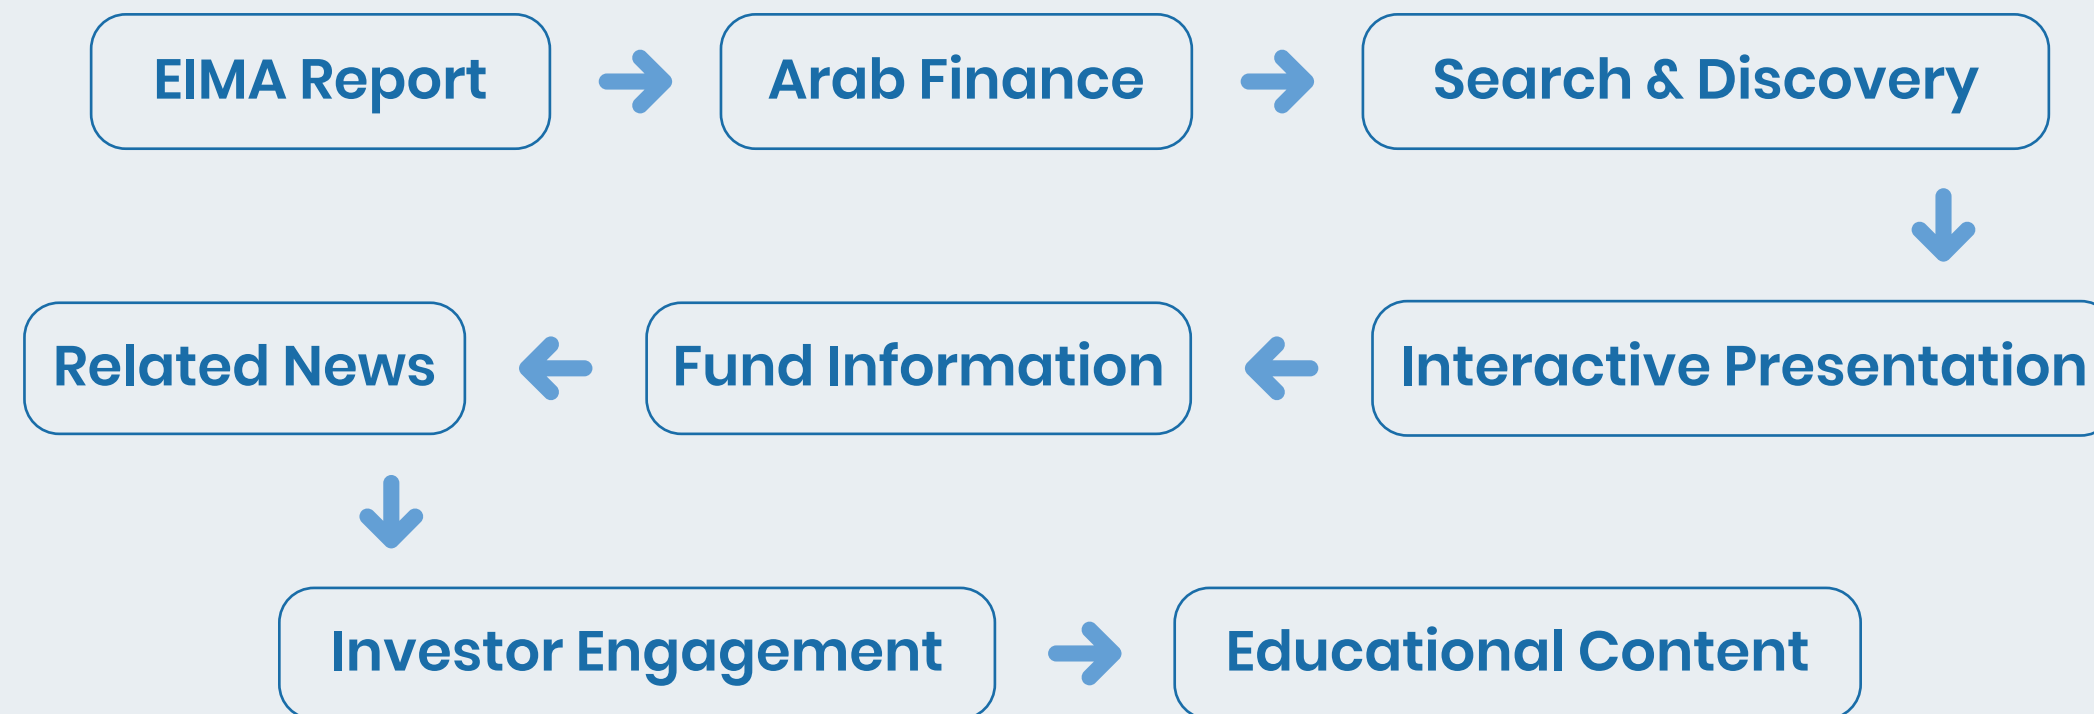

FROM REPORT TO DIGITAL EXPERIENCE

We Can Make EIMA Information More Accessible

Current Experience

Proposed Experience

The objective is not to change the information.
It is to improve how investors discover and experience it.

CONTENT + CONTEXT

Connecting EIMA Reports With the Market

This is one of Arab Finance's strongest advantages.

An EIMA report can be presented alongside:

- Relevant market news
- Industry news
- Educational articles
- Investment insights
- Economic developments
- Expert interviews
- Market data

Example:

➡ EIMA Fund Performance Report

➡ Expert Commentary

➡ Arab Finance Market Coverage

➡ Educational Content

= A Complete Investment Information Experience

EXPANDING EIMA'S REACH

One Report. Multiple Touchpoints.

Once published on Arab Finance, EIMA's information can be amplified through our ecosystem.

Website

Dedicated report experience.

Search

Improved digital discoverability.

Newsletters

Weekly highlights.

Social Media

Key insights and updates.

Arab Finance TV

Expert discussions.

Editorial Content

Related market stories.

Premium

Advanced analysis and intelligence.

WHAT EIMA GAINS

The Value to EIMA

Greater Visibility

Reach investors beyond EIMA's existing digital channels.

Wider Investor Access

Make investment-management information easier to discover.

Stronger Digital Presence

Give EIMA's reports a modern digital presentation.

Investor Education

Help more investors understand investment funds and performance.

Increased Engagement

Turn static reports into content that investors can explore and interact with.

Long-Term Digital Archive

Create a structured and searchable history of EIMA reports.

Industry Awareness

Increase visibility of Egypt's investment-management sector.

INVESTOR BENEFIT

A Better Experience for Investors

Through the partnership, investors can have easier access to:

- ➔ Trusted EIMA Information
- ➔ Market News
- ➔ Analysis
- ➔ Education
- ➔ Market Data

All in one place.

This supports a more informed and transparent investment environment.

ARAB FINANCE PREMIUM

Going Beyond Information

The new Arab Finance ecosystem will also offer a Premium Investment Intelligence experience.

Premium users will have access to:

- ➔ Advanced market tools
- ➔ Technical analysis
- ➔ Portfolio analysis
- ➔ Document analysis
- ➔ Premium economic news
- ➔ Early market reports

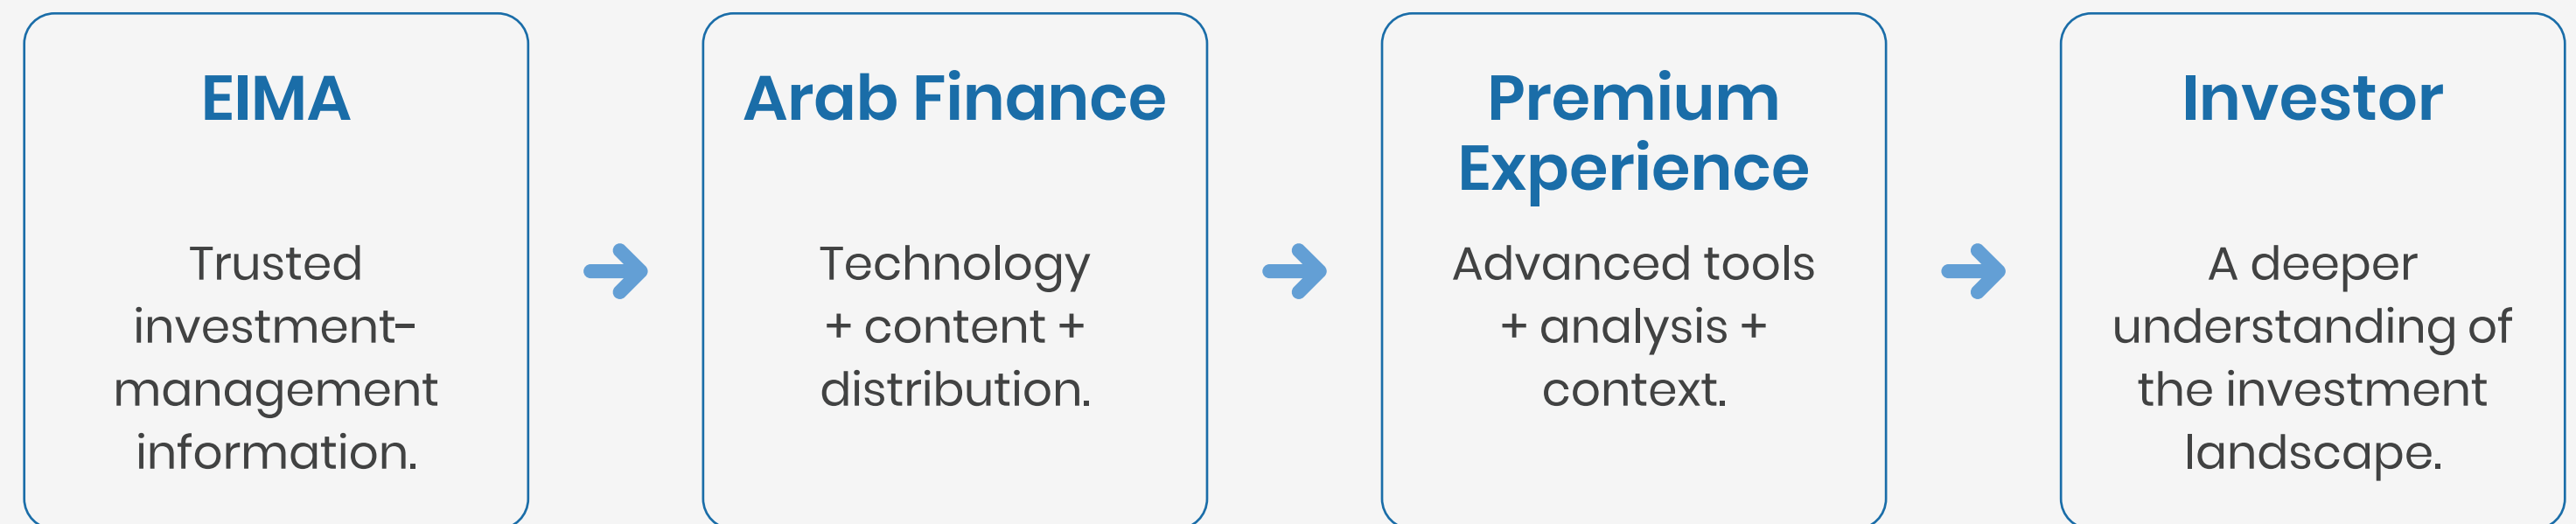

- ➔ AI Assistant
- ➔ Premium research & insights

- ➔ Expert & broker commentary
- ➔ Premium community

EIMA + ARAB FINANCE PREMIUM

Creating More Value Around Trusted Information

EIMA's reports can become an important source within Arab Finance's wider investment-intelligence ecosystem.

Public information can remain accessible according to the agreed terms, while Premium provides additional tools, analysis and intelligence.

BEYOND REPORTS

Future Collaboration Opportunities

Our partnership can evolve beyond report publication.

Historical Performance

Build a searchable history of fund performance.

Webinars & Events

Joint investor education initiatives.

Interactive Fund Database

A structured digital database of investment funds.

Data Visualization

Transform data into easy-to-understand charts and visuals.

Research & Insights

Potential co-branded industry content.

Fund Comparison

Allow investors to compare funds across different periods.

Joint Educational Content

Help investors better understand investment funds.

Data Integration

Future API or structured-data integration, subject to EIMA approval.

PARTNERSHIP FRAMEWORK

A Clear & Professional Collaboration Model

We propose agreeing on a framework covering:

Content

Which EIMA reports can be published.

Rights

Publication, distribution and usage rights.

Attribution

Clear recognition of EIMA as the source.

Frequency

Agreed report delivery and publishing schedule.

Digital Presentation

How EIMA information will appear on Arab Finance.

Premium

Agreed terms for any premium use or analysis.

Governance

Accuracy, corrections, updates and content integrity.

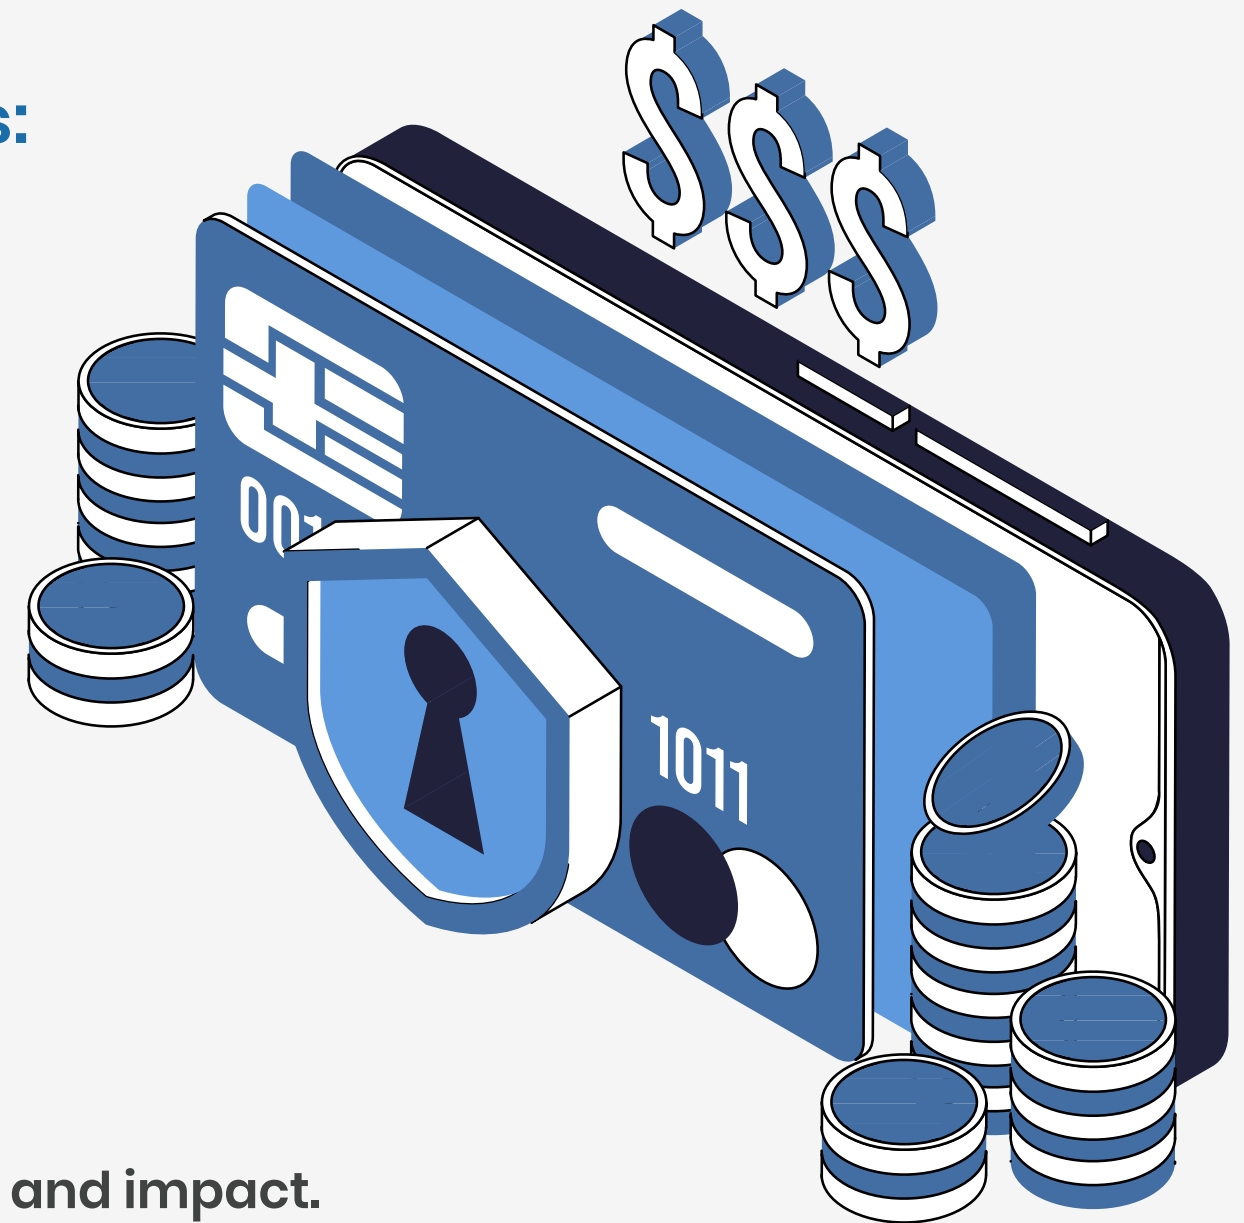

OUR COMMITMENT TO EIMA

We Will Protect the Integrity of Your Information

Arab Finance will ensure that EIMA's information is:

- ➔ Accurately Presented
- ➔ Clearly Attributed
- ➔ Professionally Designed
- ➔ Easy to Discover
- ➔ Responsibly Distributed
- ➔ Presented Without Misleading Interpretation
- ➔ EIMA remains the authoritative source.

Arab Finance becomes the digital channel that expands its reach and impact.
